Safety Today
A Brighter Tomorrow

ACTIVITY OVERVIEW & OBJECTIVES

"Safety is a Shared Responsibility"

1 INTRODUCTION

People's School Program (PSP) Thatta organized a Training and Rehearsal Drill on Fire Prevention, Safety Measures and Emergency Response Protocols for students, teaching and non-teaching staff, and relevant stakeholders of the school.

The activity was conducted with the professional support of **Rescue 1122 Thatta**, whose trained emergency response team visited the school and conducted an awareness and practical training session focused on fire prevention, emergency preparedness, evacuation procedures and appropriate response during fire-related incidents.

The initiative was undertaken by the **Management of PSP Thatta** as part of its continued efforts to ensure a safe, secure and well-prepared learning environment for all students and staff. The session combined awareness, demonstration, practical activities and rehearsal-based learning, enabling participants to understand not only how fires can be prevented but also how to respond calmly and responsiblly in the event of an emergency.

2 PURPOSE OF THE ACTIVITY

The primary purpose of the training and rehearsal drill was to develop a culture of safety, preparedness and responsible emergency response within the school. The management recognizes that educational institutions have a responsibility to ensure that students and staff are equipped with basic knowledge regarding emergency situations. Therefore, the activity was designed to provide participants with practical understanding of fire hazards, preventive measures and appropriate emergency protocols.

3 KEY OBJECTIVES

- To create awareness among students and staff regarding fire prevention and safety.
- To familiarize participants with basic fire emergency protocols.
- To demonstrate appropriate actions to be taken during a fire-related emergency.
- To train participants to respond in a calm, organized and disciplined manner.
- To promote awareness regarding common causes and risks of fire.
- To provide practical guidance on emergency evacuation and safe movement.
- To demonstrate appropriate safety practices through trained professionals.
- To strengthen the school's emergency preparedness mechanism.
- To encourage students and staff to become responsible and safety-conscious members of the school community.
- To reinforce the importance of coordinated response between school management, staff, students and emergency services.

OUTCOMES & CONCLUSION

"Safety is not an option, it is a shared responsibility."

8 KEY OUTCOMES

Enhanced Awareness
Students and staff gained greater awareness of fire hazards and safety measures.

Practical Understanding
Participants developed a better understanding of emergency response procedures through practical demonstrations.

Emergency Preparedness
The activity strengthened the school's preparedness to respond to potential fire emergencies.

Disciplined Response
Students and staff learned the importance of remaining calm and following instructions during an emergency.

Active Engagement
Students participated enthusiastically, making the session impactful and memorable.

Institutional Responsibility
The activity reinforced the school's commitment to providing a safe and supportive learning environment.

9 CONCLUSION

The Fire Prevention & Safety Training/Rehearsal Drill at PSP Thatta was a valuable initiative aimed at strengthening awareness, preparedness and emergency response capabilities within the school community.

The professional team from **Rescue 1122 Thatta** played an important role in delivering practical guidance and demonstrations to students, staff and stakeholders. Their contribution helped participants understand the importance of prevention, preparedness, discipline and timely response during emergencies.

The activity demonstrated that effective safety management requires continuous awareness, practical training and coordinated efforts. PSP Thatta Management remains committed to ensuring a safe, secure and supportive learning environment for all students and staff.

We appreciate the cooperation and participation of **Rescue 1122 Thatta**, all staff members, students and stakeholders who contributed to the successful conduct of this activity.

"Prepared People Build Safer Communities"

ACKNOWLEDGEMENT

Special appreciation to
Rescue 1122 Thatta
for providing professional training, practical demonstrations and valuable guidance on fire prevention, safety measures and emergency response protocols.
