2. Objective of the Session

The **Parent Connect: Orientation & Parenting Session** was organized for newly enrolled students' parents with the objective of:

- Introducing parents to the **school's academic environment and policies**.
- Communicating the **expectations of the school from parents**.
- Strengthening the **partnership between parents and the school** for the holistic development of students.
- Providing **practical parenting guidance** to help parents support their children's academic and personal growth.

This initiative aimed to build **strong communication and trust between the school and parents**, which is essential for creating a supportive learning environment for students.

3. Orientation Session

The orientation session was delivered by **Sir Ghulam Ali Zour (Academic Lead)**.

During this segment, parents were given a comprehensive overview of:

- The **academic structure of the school**
- **School policies and regulations**
- **Student discipline and code of conduct**
- **Communication channels between school and parents**
- **Expectations from parents in supporting their children's education**

The orientation helped parents understand the **working framework of the school** and the important role they play in supporting the educational journey of their children.

4. Parenting Session

An **in-depth Parenting Session** was conducted by **Sir Sarfaraz Ahmed (Principal)**.

The session focused on key parenting aspects including:

- The **role of parents in a child's academic and character development**
- Building **positive communication with children**
- Encouraging **responsibility, discipline, and confidence in students**
- How parents and schools can **work together for better learning outcomes**

The discussion was **interactive and informative**, encouraging parents to actively reflect on their parenting approaches and their involvement in their children's learning.

5. Question & Answer / Feedback Session

The program concluded with a **Question & Answer and Feedback Session**, where parents were invited to share their questions, concerns, and suggestions.

Parents actively participated and expressed their **positive feedback and appreciation** for the initiative taken by the school. Many parents highlighted that such sessions help them better understand the school's vision and how they can support their children more effectively.

The feedback received was **overwhelming and encouraging**, reflecting parents' satisfaction with the school's transparency and commitment to student development.

6. Campus Visit

At the end of the program, parents were invited for a **campus visit**.

During the visit:

- Parents explored the **school facilities and learning environment**.
- Teachers interacted with parents and explained their **teaching methodologies and classroom practices**.

This interaction further strengthened parents' confidence and helped them better understand the **educational standards and facilities being provided at the school**.

---

7. Conclusion

The **Parent Connect: Orientation & Parenting Session** proved to be a **successful and impactful event**, with the participation of **70 parents**.

The session effectively helped in:

- Building **stronger relationships between parents and the school**
- Enhancing **parental awareness regarding school policies and expectations**
- Providing **valuable parenting guidance**

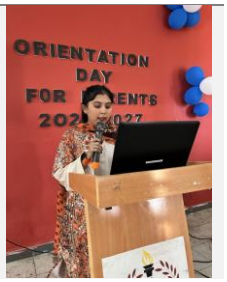

Such initiatives reflect **People's School Thatta's commitment to strengthening parent-school collaboration and continuously improving the quality of education in Thatta**.
